DIRECTOR

CHESTER HILLS, INC. SOLID WASTE DISPOSAL FACILITY #1407A

VARIANCE

The Chester Hills, Inc. disposal facility has requested a VARIANCE from N.J.A.C. 7:26-2.5.13 which stipulates that all exposed surfaces of solid waste shall be covered with daily cover material at the end of each operating day and N.J.A.C. 7:26-2.6.23 which stipulates that salvageable material may be stored in separate areas, if so indicated on the engineering design, without cover for seven days.

Chester Hills, Inc. disposal facility proposes to utilize tree stumps for the reduction and control of siltation and surface water runoff and additionally to allow local citizenry to utilize the tree stumps as fire wood. The facility has provided a plan that indicates the locations where the tree stumps are to be utilized for the aforementioned purposes. The plan also indicates the approximate quantities of tree stumps and provides methodology for minimizing any potential environmental impact that may be caused by this operation.

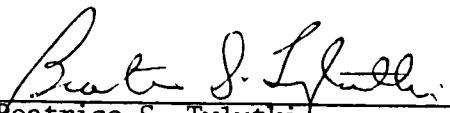

This VARIANCE is hereby granted to Chester Hills, Inc. Solid Waste Disposal Facility for a duration of two (2) years. It can be renewed for additional periods of time, provided no adverse environmental impact is realized.

1. The application of soil cover shall not be required for tree stumps utilized in accordance with the plan submitted under cover letters dated February 14, 1978 and June 16, 1978.
2. Prior to termination of this facility, the tree stumps shall be properly disposed of at the facility and shall be covered with the required two (2) feet of final cover.

This VARIANCE is conditioned upon the following:

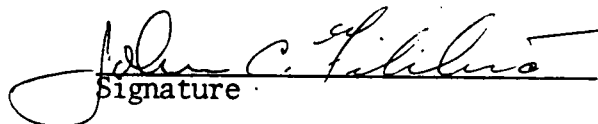

1. The quantities of tree stumps utilized in the proposed manner shall not exceed those quantities stated in the variance request dated June 16, 1978.
2. Chester Hills, Inc. shall keep accurate records of the rodent control measures taken at the facility and shall make such records available to personnel of the SWA upon request.
3. No adverse environmental impacts result from utilization of the tree stumps in the proposed manner.

DATE July 27, 1978

Beatrice S. Tylutki
Director
Solid Waste Administration

This VARIANCE is not valid until the original is signed by the applicant, signifying acceptance of all terms and conditions, and is returned to the Solid Waste Administration for final processing.
